AN AUSTRALIAN GOVERNMENT INITIATIVE

# Giving small businesses the digital expertise to grow & thrive

## Realise Business is a proud delivery partner for the Digital Solutions program.

The Digital Solutions program is an Australian Federal Government initiative.

The program offers small business owners a personalised digital roadmap tailored to their needs, one-on-one support from an expert business advisor, access to an extensive content library and over 200+ live webinars and workshops each year.

The Digital Solutions program is designed to equip small businesses with the tools, resources, and expert guidance they need to build their digital skills, and accelerate growth, productivity, and efficiency in the digital age.

## WHO IS ELIGIBLE

This program is open to sole traders and small businesses who are:

- Based in NSW or ACT
- With an ABN
- With under 20 employees
- A for-profit business

## WHAT'S INCLUDED

- ✓ Personal Digital Guide
- ✓ Unlimited Webinars
- ✓ Online Content Library
- ✓ Unlimited Workshops
- ✓ Exclusive Events

## PROGRAM DELIVERY

Thanks to funding and support, the Digital Solutions program is accessible and highly affordable.

- Free 'Lite' program option provides access to live and recorded webinars and workshops
- \$45 + GST 'All Access' program offers up to 4 hours with a dedicated digital guide and personalised roadmap. Valued at \$845

A dedicated digital guide is assigned to those enrolled in the All Access program. They work with small business owners to assess their digital capabilities, identify areas for additional learning, and develop a strategic roadmap for improving growth, productivity and efficiency.
